We are asking everyone to contact their representative in both the House and Senate and ask if they support menhaden conservation in the Chesapeake Bay. Please go to this website to find out who your representatives and ask the following questions (at a minimum) https://www.virginia.gov/services/whos-my-legislator/

1. Are you aware that a single foreign owned company in Reedville, VA is taking large numbers of menhaden from the Chesapeake Bay?
2. Are you aware this company is over the bay quota set by the Atlantic States Marine Fisheries Commission (ASMFC)?
3. Would you support a bill to move management from the GA to VMRC who manages every other saltwater fish in Virginia?
4. Would you be willing to contact other Senators / Delegates to gather support for this bill?
5. Do you consent to this conversation being summarized on the open web for voters to see?

Summarize the answers below then go to http://joinvssa.org/forum/ and provide your comments on our website under the appropriate district.
